

Watchmaking and jewellery trail

Région : AUVERGNE-RHÔNE-ALPES

Running like clockwork and gleaming like a jewel, this tour takes you to labelled companies at the service of punctuality and beauty. It combines two crafts that often go hand in hand, even if they require highly specific skills. Rhône-Alpes is the top French region outside the Paris area for jewellery-making, and employs close to one quarter of jewellery industry employees. This tour will lead you round crafts of precision and patience, luxury and excellence.
